Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plait à Son Excellence, en vertu des dispositions du chapitre 97 des Statuts Révisés du Canada, intitulé "Acte concernant les passages d'eau", et l'acte 51 Victoria, chapitre 23, qui le modifie, d'établir les règlements ci-joints pour la gouverne d'un passage d'eau sur la rivière LaPluie entre la ville de la rivière LaPluie, dans le district de la rivière LaPluie et province d'Ontario, et les villes de Baudette et de Spooner, dans l'Etat du Minnesota, un des Etats-Unis d'Amérique, et les dits règlements sont par le présent faits et établis en conséquence.

JOHN J. McGEE,

Greffier du Conseil privé.

RÈGLEMENTS POUR LE PASSAGE D'EAU DE LA RIVIÈRE LAPLUIE.

1. *Limites.*— Les limites du passage d'eau seront celles de la ville de la Rivière LaPluie, dans le district de la Rivière LaPluie, Ontario, et de certains endroits dans les villes de Baudette et de Spooner dans l'Etat du Minnesota, Etats-Unis d'Amérique.

2. *Debarcadères.*— Tant que durera le bail l'adjudicataire entretiendra sur le côté canadien un quai ou débarcadère convenable et solide, d'événir pouvoir servir en tout état de la rivière, lequel devra être approuvé par le ministère du Revenu de l'intérieur.

3. *Vaisseau.*— Le vaisseau employé sera un bateau solide et navigable d'au moins trente (30) pieds de longueur, six (6) pieds de bau, et le bateau et la machine

4. Le bateau devra être muni d'appareils de sauvetage et parfaitement équipé, et sera tenu en bon état de propreté tant sur son pont que dans la cabine, sujet à l'approbation de l'inspecteur fédéral des coques. Il sera commandé par un homme capable et respectable, et le ministère du Revenu de l'intérieur se réserve le droit de refuser tout bateau qui pourra en aucun temps être placé sur cette voie pour faire le service, ou son capitaine, ou le quai ou débarcadère, s'il les jugeait impropres au service, ou dangereux, ou insuffisants pour répondre aux besoins du public.

5. Durant la période commençant le 1er jour de juin, et finissant le 1er jour d'octobre de toute et chaque année, le dit bac commencera à traverser à 6 heures du matin (sauf les dimanches) et continuera à traverser à des intervalles d'une heure successivement jusqu'à six heures du soir.

6. L'adjudicataire ne transportera, ni ne permettra, ni ne tolérera en aucun temps pendant la durée de son bail qu'il soit transporté sur le dit bac, aucun article ou effet de contrebande.

7. L'adjudicataire observera toutes les lois de douane et du revenu du Canada et des Etats-Unis d'Amérique.

8. Le tarif des péages et prix de passage sur le dit bac ne seront jamais plus élevés que les suivants :—

Pour les piétons (adultes). 25c.

Et s'ils reviennent le même jour, aller et retour. 25c.

Et s'ils reviennent le même jour, aller et retour. 15c.

9. Une pancarte contenant le prix de passage et le tarif des péages sera affichée et maintenue en tout temps dans un endroit bien en vue sur ou près le quai ou l'embarcation, ainsi que sur le bac ou vapeur faisant le service.

10. Le Gouverneur en conseil aura le droit de changer et modifier le tarif et les prix ci-dessus établis, s'ils le juge à propos dans l'intérêt du public. Avis de ces changements ou modifications sera publié dans la *Gazette du Canada*, tel que l'exige le sixième article de l'acte 49 Vic., chapitre 27, et le locataire sera averti officiellement par le ministère du Revenu de l'intérieur, et après cet avis l'adjudicataire ne pourra demander ou recevoir aucuns péages ou prix plus élevés que ceux prescrits par le tarif ainsi modifié, tant qu'il restera en existence.

11. L'adjudicataire ne devra en aucun temps pendant l'existence du bail, sciemment ou volontairement enfreindre aucune des lois ou aucun des statuts ou règlements des Etats-Unis d'Amérique, ou de l'Etat du Minnesota ou des villes de Baudette et de Spooner, au sujet du service du bac, qui peuvent s'appliquer au passage d'eau ou à quelque partie de ce passage qui peut se trouver sous la juridiction soit des Etats-Unis d'Amérique, soit de l'Etat du Minnesota, ou des villes de Baudette et de Spooner, ni ne permettra ou ne souffrira que ses employés ou serviteurs ne les enfreignent.

12. Pourvu toujours que si les Etats-Unis d'Amérique, ou l'Etat du Minnesota, ou des villes de Baudette ou de Spooner, dans l'exercice de quelque pouvoir leur appartenant en aucun temps pendant la durée du bail, permettaient ou entravaient le service du bac sur le passage d'eau, ou en quelque partie de ce passage qui peut être sous leur juridiction, ou s'ils causaient à l'adjudicataire quelque perte, dépense, frais ou dommage à ce sujet, celui-ci n'aura droit à aucune indemnité ou compensation de la part du Canada.

13. L'adjudicataire sera tenu de fournir deux cautions, approuvées par le ministère du Revenu de l'intérieur, lesquelles seront obligées conjointement et individuellement avec le principal en la somme de cinq cents (\$500) piastres, pour le fidèle accomplissement par l'adjudicataire des conditions du bail.

14. Le Gouverneur en conseil aura toujours le droit, lorsqu'il lui sera prouvé que l'adjudicataire ne remplit pas les conditions ci-dessus ou celles stipulées dans son bail, de déclarer le bail résilié et nul, et alors ce der-

nier deviendra nul et non avenu à toutes fins et intentions, comme s'il n'eût jamais été consenti, sans indemnité pour l'adjudicataire.

15. Le bail ne sera ni sous-loué ni transféré sans l'autorisation du Gouverneur général en conseil. 23-3

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

5. Lorsqu'un bill a pour objet d'augmenter les pouvoirs de contracter des emprunts d'une compagnie sans aucune augmentation du capital social, la taxe supplémentaire sera de \$300.00.

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important*, comme suit :—

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière* par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme

à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

—
SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les péti-

tionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

ORDERS IN COUNCIL.

[Ref. 1,308,440.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of November, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 3rd November, 1906, from the Minister of the Interior, submitting with reference to the Order in Council dated 5th September, 1885, authorizing the Minister of the Interior to reserve Blocks 18 and 84, being a portion of Section 16, Township 24, Range 1, West 5th Meridian, which section forms part of the Townsite of Calgary, for Calgary school purposes, and authorizing him to convey the same under certain conditions to the Calgary School Trustees in trust for local school purposes,—that it has

now been represented to him by the Chairman of the School Management Committee on behalf of the Calgary Public School Board, that since the School Board erected a school upon Block 18, the Government of the Province of Alberta has decided to locate the Provincial Normal School at Calgary, and has requested the Board to grant them the said Block 18.

The Minister states that the School Board is, in consequence, desirous of meeting the wishes of the Provincial Government and of securing the Normal School for their City, and it is pointed out that the use of this Block for a Normal School would not interfere with the use of it for local school purposes.

That the School Board requests, therefore, that the title to the property be granted to the Province of Alberta for the establishment, erection and maintenance of a Normal School thereon, and that the title to Block 84 be issued to them (the Calgary Public School Board).

The Minister further states that he is of the opinion in view of the representations mentioned, that it would be in the public interest to comply with the request made on behalf of the School Board.

The Minister therefore recommends that the Order in Council of the 5th September, 1885, already referred to, be rescinded.

The Minister further recommends that Block 18 being a portion of Section 16, Township 24, Range 1, West of the Fifth Meridian, which forms part of the Townsite of Calgary, be vested, under clause 31 of The Dominion Lands Act, in His Majesty King Edward VII, for the Province of Alberta, to be used as a site for a Normal School, and that a grant be authorized, under the same clause, of Block 84, which also forms part of the said Section 16, Township 24, Range 1, West Fifth Meridian, to the Calgary Public School Board for school purposes.

The Committee submit the same for approval.

24-4 JOHN J. McGEE,
Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

JOHN J. MCGEE,
Greffier du Conseil privé.

RÈGLEMENTS POUR LE PASSAGE D'EAU DE LA RIVIÈRE LAPLUIE.

1. *Limites.*— Les limites du passage d'eau seront celles de la ville de la Rivière LaPluie, dans le district de la Rivière LaPluie, Ontario, et de certains endroits dans les villes de Baudette et de Spooner dans l'Etat du Minnesota, Etats-Unis d'Amérique.

Il sera commandé par un homme capable et respectable, et le ministère du Revenu de l'intérieur se réserve le droit de refuser tout bateau qui pourra en aucun temps être placé sur cette voie pour faire le service, ou son capitaine, ou le quai ou débarcadère, s'il les jugeait impropres au service, ou dangereux, ou insuffisants pour répondre aux besoins du public.

5. Durant la période commençant le 1er jour de juin, et finissant le 1er jour d'octobre de toute et chaque année, le dit bac commencera à traverser à 6 heures du matin (sauf les dimanches) et continuera à traverser à des intervalles d'une heure successivement jusqu'à six heures du soir.

6. L'adjudicataire ne transportera, ni ne permettra, ni ne tolérera en aucun temps pendant la durée de son bail qu'il soit transporté sur le dit bac, aucun article ou effet de contrebande.

7. L'adjudicataire observera toutes les lois de douane et du revenu du Canada et des Etats-Unis d'Amérique.

9. Une pancarte contenant le prix de passage et le tarif des péages sera affichée et maintenue en tout temps dans un endroit bien en vue sur ou près le quai ou l'embarcation, ainsi que sur le bac ou vapeur faisant le service.

10. Le Gouverneur en conseil aura le droit de changer et modifier le tarif et les prix ci-dessus établis, s'ils le juge à propos dans l'intérêt du public. Avis de ces changements ou modifications sera publié dans la

Gazette du Canada, tel que l'exige le sixième article de l'acte 49 Vic., chapitre 27, et le locataire sera averti officiellement par le ministère du Revenu de l'intérieur, et après cet avis l'adjudicataire ne pourra demander ou revoir aucuns péages ou prix plus élevés que ceux prescrits par le tarif ainsi modifié, tant qu'il restera en existence.

11. L'adjudicataire ne devra en aucun temps pendant l'existence du bail, sciemment ou volontairement enfreindre aucune des lois ou aucun des statuts ou règlements des Etats-Unis d'Amérique, ou de l'Etat du Minnesota ou des villes de Baudette et de Spooner, au sujet du service du bac, qui peuvent s'appliquer au passage d'eau ou à quelque partie de ce passage qui peut se trouver sous la juridiction soit des Etats-Unis d'Amérique, soit de l'Etat du Minnesota, ou des villes de Baudette et de Spooner, ni ne permettra ou ne souffrira que ses employés ou serviteurs ne les enfreignent.

12. Pourvu toujours que si les Etats-Unis d'Amérique, ou l'Etat du Minnesota, ou des villes de Baudette ou de Spooner, dans l'exercice de quelque pouvoir leur appartenant en aucun temps pendant la durée du bail, permettaient ou entravaient le service du bac sur le passage d'eau, ou en quelque partie de ce passage qui peut être sous leur juridiction, ou s'ils causaient à l'adjudicataire quelque perte, dépense, frais ou dommage à ce sujet, celui-ci n'aura droit à aucune indemnité ou compensation de la part du Canada.

14. Le Gouverneur en conseil aura toujours le droit, lorsqu'il lui sera prouvé que l'adjudicataire ne remplit pas les conditions ci-dessus ou celles stipulées dans son bail, de déclarer le bail résilié et nul, et alors ce dernier deviendra nul et non avenu à toutes fins et intentions, comme s'il n'eût jamais été consenti, sans indemnité pour l'adjudicataire.

15. Le bail ne sera ni sous-loué ni transféré sans l'autorisation du Gouverneur général en conseil. 23-3

AVIS AUX NAVIGATEURS.

No 134 de 1906.

(Avis de l'Intérieur No 31.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

DIVISION DES PHARES D'ONTARIO.

(334) QUÉBEC — RIVIÈRE OTTAWA, RIVE NORD — CHENAL WAY ET TRAVERSE BESSERER — FEUX D'ALIGNEMENT ÉTABLIS.

Quatre feux de balise, établis par le gouvernement du Canada sur la rive nord de la rivière Ottawa, afin de guider dans le chenal au nord de la batture Way, ont été allumés le 7 de novembre 1906.

Ils montrent des feux blancs fixes dans des lanternes lenticulaires de verre pressé hissées à des poteaux, et devraient être visibles à dix milles dans l'alignement. Les poteaux sont rendus plus visibles comme balises de jour au moyen de lattis en losange peints en blanc sur le sommet de chacun. Les poteaux ont 20 et 40 pieds de hauteur respectivement, et reposent sur un terrain élevé de 10 pieds au-dessus du niveau d'été de la rivière. Les deux feux antérieurs sont à 29 pieds et les deux feux postérieurs à 49 pieds au-dessus de l'eau.

Le feu antérieur de l'alignement d'en haut, qui sera désigné alignement du chenal Way, repose sur le bord de la rivière à un endroit 975 pieds plus haut que le feu antérieur de l'alignement d'en bas, et à peu près 2100 pieds plus bas que l'embouchure de la rivière Blanche, qui est sur le lot 3 du township de Templeton, comté de Wright.

Lat. N. 45° 29' 56"
Long O. 75 32 2

Le feu postérieur de cet alignement est à 490 pieds S. 80° 40' O. du feu antérieur. Les deux feux dans une direction S. 80° 40' O. conduisent entre la batture Way et la rive nord jusqu'à un point presque vis-à-vis le feu antérieur de l'alignement de la traverse Besserer, alors que l'alignement doit être laissé à tribord pour arriver dans l'alignement de la traverse Besserer.

Le feu antérieur du deuxième alignement, qui sera désigné alignement de la traverse Besserer, est sur la rive nord de la rivière, à 975 pieds plus bas que le feu antérieur du chenal Way, 3,075 pieds plus bas que l'embouchure de la rivière Blanche, et 2,700 pieds plus haut que le phare de la batture Way.

Les deux feux en conjonction en arrière conduisent dans le chenal dragué en travers de la tête de la batture Way, dans une direction S. 48° 30' O. depuis un point vis-à-vis le feu antérieur de l'alignement du chenal Way jusqu'à l'eau profonde sur le côté sud de la rivière. L'alignement des feux produit est dans l'alignement des arbres les plus à l'ouest de Besserer Grove sur le côté sud de la rivière.

Notez que l'intersection des deux alignements se trouve dans l'eau peu profonde sur la rive nord, et en conséquence l'alignement doit être légèrement ouvert en approchant de l'autre.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents aurait fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

5. Lorsqu'un bill a pour objet d'augmenter les pouvoirs de contracter des emprunts d'une compagnie sans aucune augmentation du capital social, la taxe supplémentaire sera de \$300.00.

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill.

8. THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important, comme suit :—

2. *Une compagnie de télégraphe ou de téléphone*.—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière* par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques*.—Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme

à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

ORDERS IN COUNCIL.

[Ref. 1,320,690.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 5th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 24th November, 1906, from the Minister of the Interior, stating, in regard to the claims of Messrs. John Charles Jackson and Thomas E. Jackson to a portion of Section Eighteen, Township Twenty-four, Range One, West of the Fifth Meridian :

That the former squatted upon the South-west quarter in the fall of 1884; the latter squatted upon the South-east quarter in the spring of 1887, both going into permanent residence upon the land ;

That while the land had previously been surveyed, it is represented they squatted in good faith, believing the land to be vacant and that no other interests were interfered with ; it was subsequently found, however, that there were other claimants and that the Town of Calgary had asked for a reservation of a part of this section for cemetery purposes and that consequently when the Messrs. Jackson asked to be allowed to homestead the land their applications were not entertained ;

That all the claims filed in connection with the Section in question, with the exception of that of the Messrs. Jackson, have been disposed of and that the only portion of this section now remaining in the hands of the Government consists of an area comprising one hundred and five acres of the South-west quarter and fifteen acres of the South-east quarter ;

That Mr. John Charles Jackson has been in occupation of the South-west quarter during the past twenty years and his brother has occupied the South-east quarter for a similar period, both brothers having very valuable improvements ;

That while the matter has been before the Department of the Interior for many years, no final settlement has yet been arrived at, although as a partial settlement it was decided to allow Mr. John Charles Jackson to acquire a patent for the South-east quarter of Section Eighteen, Township Twenty-seven, Range

One, West of the Fifth Meridian, and Mr. Thomas E. Jackson for the North-east quarter of Section Seven, Township Twenty-four, Range One, West of the Fifth Meridian.

The Minister recommends, as a full and final settlement of these claims, that the remaining available portion of the South half of Section Eighteen, Township Twenty-four, Range One, West of the Fifth Meridian, be granted under a free patent to the Messrs. Jackson in accordance with the mutual agreement made between themselves and recorded in the Department of the Interior, that is to say, the one hundred and five acres of the South-west quarter to John Charles Jackson, and the fifteen acres of the South-east quarter to Thomas E. Jackson.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of November, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 3rd November, 1906, from the Minister of the Interior, submitting with reference to the Order in Council dated 5th September, 1885, authorizing the Minister of the Interior to reserve Blocks 18 and 84, being a portion of Section 16, Township 24, Range 1, West 5th Meridian, which section forms part of the Townsite of Calgary, for Calgary school purposes, and authorizing him to convey the same under certain conditions to the Calgary School

Trustees in trust for local school purposes,—that it has now been represented to him by the Chairman of the School Management Committee on behalf of the Calgary Public School Board, that since the School Board erected a school upon Block 18, the Government of the Province of Alberta has decided to locate the Provincial Normal School at Calgary, and has requested the Board to grant them the said Block 18.

The Minister states that the School Board is, in consequence, desirous of meeting the wishes of the Provincial Government and of securing the Normal School for their City, and it is pointed out that the use of this Block for a Normal School would not interfere with the use of it for local school purposes.

That the School Board requests, therefore, that the title to the property be granted to the Province of Alberta for the establishment, erection and maintenance of a Normal School thereon, and that the title to Block 84 be issued to them (the Calgary Public School Board).

The Minister further states that he is of the opinion in view of the representations mentioned, that it would be in the public interest to comply with the request made on behalf of the School Board.

The Minister therefore recommends that the Order in Council of the 5th September, 1885, already referred to, be rescinded.

The Minister further recommends that Block 18 being a portion of Section 16, Township 24, Range 1, West of the Fifth Meridian, which forms part of the Townsite of Calgary, be vested, under clause 31 of The Dominion Lands Act, in His Majesty King Edward VII, for the Province of Alberta, to be used as a site for a Normal School, and that a grant be authorized, under the same clause, of Block 84, which also forms part of the said Section 16, Township 24, Range 1, West Fifth Meridian, to the Calgary Public School Board for school purposes.

The Committee submit the same for approval.

G. O. 168.**ORGANIZATION.****CANADIAN ARMY PAY CORPS.**

The formation of a Canadian Army Pay Corps has been approved to take effect from January 1st, 1907.

ADMINISTRATION.

(1) One officer, to be selected from the Canadian Army Pay Corps, will be detailed for duty at Headquarters with the appointment of Assistant Paymaster-General. This officer will, in addition to his other duties, command the corps as regards discipline and deal with all matters of a purely military nature, but, in all other respects he will be under the directions of the Accountant and Paymaster-General.

ORGANIZATION.

(2) The Canadian Army Pay Corps shall consist of such officers, warrant officers, non-commissioned officers and men appointed to, or enlisted in such corps, according to the establishment authorized by the Governor General in Council.

An officer of the Canadian Army Pay Corps shall hold substantive rank within the corps, but such rank or position will not, however, entitle the holder of it to the presidency of courts-martial, or to military command of any kind except over such officers and men as may be specially placed under his command.

The appointment, promotion and retirement of officers in the Canadian Army Pay Corps shall be governed by the general regulations in force for the Permanent Force, except where otherwise specially provided for.

The appointments of Command Paymasters and their assistants already made will be cancelled, and fresh appointments made from the 1st January, 1907.

Applicants from the Active Militia, or others, desirous of entering the Canadian Army Pay Corps as pay clerks, if considered as likely to prove suitable for that branch of the service, may, with the approval of the officer administering the corps, be enlisted and attached on probation for three months with the acting rank of sergeant, receiving pay of that rank, but without corps pay.

Upon the expiration of the probationary term of three months, the Paymaster under whom the man is serving will forward a report to the officer administering the corps on the qualifications of the probationer under the following headings :—

(a) Knowledge of accountant work generally.

(b) Knowledge of pay duties generally, and regulations governing the same.

(c) Sobriety and trustworthiness.

(d) Special qualifications, *i.e.* stenography, type-writing, etc.

(e) Whether recommended as an efficient pay clerk. If the report is considered satisfactory, the probationer may be confirmed in his appointment in the Canadian Army Pay Corps with rank of sergeant from the date of his enlistment. If reported as unsatisfactory he will be given his discharge as unfit for the duties of a pay clerk, or should he so desire he may be allowed to transfer his services to another branch of the Permanent Force.

As a general rule no applicant for entry as a pay clerk in the Canadian Army Pay Corps will be accepted who is over thirty years of age, unless he has specially good service and experience in the Active Militia, or H. M. Regular Army, and is considered as deserving of special consideration.

A limited number of men may be enlisted as privates for general orderly duties, etc., in pay offices, as provided for in the establishment. These men will not be entitled to corps pay.

A sergeant having served for the period of three years in that rank, and having been reported upon satisfactorily by the Paymaster under whom he is serving, may be recommended for promotion to the rank of Quartermaster-sergeant.

A Quartermaster-sergeant after serving a period of three years in that rank, and having been reported upon satisfactorily by the Paymaster under whom he is serving, may be recommended for promotion to the rank of Sergeant-major.

One Sergeant-major, may be selected for promotion to 1st class Staff sergeant-major (warrant officer) for each of the higher commands.

The enlistment, promotion, pay, &c., of warrant officers, non-commissioned officers and men of the Canadian Army Pay Corps will be governed by the general regulations in force for the Permanent Force, except where otherwise provided for.

PAY.

(3) The pay of the officers, warrant officers, non-commissioned officers and men will be as laid down in the Pay & Allowances Regulations, 1907, except that corps pay will not be paid to probationer pay clerks nor to corporals or privates employed in Pay Offices for the general orderly duties, etc., but such men if employed on pay work may be paid extra duty pay of ten cents a day under Article 131, Pay & Allowances Regulations.

Pay clerks qualifying in stenography will be granted extra duty pay of ten cents a day.

UNIFORM.

(4) The uniform of officers, warrant officers, non-commissioned officers and men will be as laid down in the Canadian Dress Regulations and Clothing Regulations.

NOTICE TO MARINERS.

(Pacific Notice No. 30.)

All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

BRITISH COLUMBIA.

(353) CHATHAM SOUND—PRINCE RUPERT HARBOUR
(TUCK INLET)—UNCHARTED ROCKS—BUOYS
ESTABLISHED—BEACONS ERECTED—
SAILING DIRECTIONS.

Ellinor rock.—Mr. G. B. Dodge, Hydrographic Surveyor, reports an uncharted rock, to be called Ellinor rock, near the entrance to Prince Rupert harbour.

Lat. N. 54° 12' 40"
Long. W. 130° 22' 40"

From the rock the nearest point of Kinahan islands bears S. 67 $\frac{1}{2}$ ° W. 4 $\frac{1}{2}$ cables. Over it is a depth of only one foot and it is quite steep to on all sides.

The following sextant angles fix its position :

West tangent Kitson island.....	0°
Southeast tangent Kinahan islands.....	119° 50'
North tangent Kinahan island.....	51 20
Chassepot rock.....	33 0

Buoy.—A red spar buoy has been moored in 3 fathoms, about 100 feet south of the top of the rock.

Barrett ledge.—Mr. Dodge also reports Barrett ledge, which dries 2 feet at low water spring tides, lying on the western side of the channel with Lima point bearing S. 12° W. distant one mile.

Buoy.—A black spar buoy has been moored in 3 $\frac{1}{2}$ fathoms off the eastern edge of this ledge, 800 feet N. 60° E. from the top of the rock.

Bird rock.—Mr. Dodge also reports Bird rock, which dries 4 feet, lying on the eastern side of the entrance, bearing N. 38° E. 1 $\frac{4}{10}$ miles from Lima islet, and N. 41° W. 1 $\frac{1}{10}$ miles from the west side of Coast island.

Buoy.—A red spar buoy has been moored in 12 feet water about 30 feet south of the top of the rock.

Coast island range day beacons.—A triangular white-washed beacon, 20 feet high and having a base of 20 feet, has been erected upon the top of Coast island, 43 feet above the water.

A beacon similar in size has also been erected on Ridley island 80 feet above the water and bearing N. 75° E., distant 4415 feet from the former.

These two in line, bearing N. 75° E., lead 700 yards south of Kestrel rock, 400 yards south of Jenner rock and 1100 yards north of Kinahan islands, and up to within 800 yards of Coast island. (See Notice to Mariners No. 124 (308) of 1906.)

Ridley island range day beacons.—A triangular white-washed beacon, 20 feet wide at the base and 30 feet high, has been erected upon the shore at Ridley island 2 feet above the water. It is situated N. 74° E. distant 1 $\frac{8}{10}$ miles from Lima islet, and N. 29° W. distant 8 cables from the western coast of Coast island.

A triangular whitewashed beacon, having a base of 20 feet and a height of 20 feet, has been placed upon the height of land of Ridley island N. 28° E. 1000 feet from the above. It is elevated 75 feet above the water.

These two in line, bearing N. 28° E., lead between Ellinor rock and Kinahan islands and east of Jenner rock.

Sailing directions.—Steamers leaving Skeena river and bound for Prince Rupert *via* the passage east of Kinahan island should pass Holland island on the port side distant about $\frac{1}{2}$ mile, and steer for the northeast of Kinahan islands N. 62° W. 2 miles, or until the Ridley island range beacons come in one, bearing N. 28° E. Keep these in one to pass Ellinor rock (marked with a red spar buoy) on the starboard and until the summit of Mission mountain comes in line with the trees on the northwest point (Casey point) of Kaien island bearing N. 34° W. Keep this on until abreast of Lima point, when haul a little to the eastward to bring the *second knuckle* west of Mission mountain in one with the edge of the trees on Casey point N. 36 $\frac{1}{2}$ ° W. After passing Barrett ledge, marked by a black spar buoy, keep rather nearer the Kaien island side of mid-channel.

Steamers from the north wishing to enter Prince Rupert, should keep Lawyer island light open west of Kinahan islands, bearing S. 52° E., until Coast island beacons come in one, bearing N. 75° E. They should keep this range until the Ridley island beacons come in line bearing N. 28° E., whence the course is the same as from the southward.

(354) HECATE STRAIT—EDYE PASSAGE—SHALLOW DEPTHS IN WESTERN APPROACH.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to the western approach to Ede passage :

Depth from 10 to 18 fathoms were obtained by H.M.S. "Egeria" when passing between Warrior rocks and White cliff, Stephens island.

A depth of 11 fathoms was obtained with centre of White cliff bearing N. 20° E. $1\frac{1}{2}$ miles.

Close to the southwest of this spot a large patch of kelp was observed, apparently attached.

Depths of 10 fathoms were obtained with North Warrior rock bearing S. 20° W., $1\frac{1}{2}$ miles.

Vessels are recommended not to pass between Warrior rocks and Stephens island until this region has been examined, as it appears very likely that dangers may exist. N. to M. No. 144 (354) 24-11-06.

(355) DIXON ENTRANCE—WEST DEVIL ROCK—SHOAL DEPTHS IN VICINITY.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to shoal depths in the vicinity of West Devil rock, Dixon entrance.

The "Egeria" anchored in a depth of 9 fathoms with centre of West Devil rock N. 71° W. $2\frac{1}{2}$ miles. This shoal appeared to be very small in extent, and steep-to, with depths of 40 fathoms and upwards all round it. Bad weather prevented any further examination.

A breaker, upon which the sea breaks heavily in moderate weather, almost continuously, having the appearance of shallow water, has been observed on two occasions $\frac{1}{2}$ mile N. 34° W. from West Devil rock.

Foul ground, upon which the sea breaks, extends about $\frac{1}{4}$ mile southwestward of West Devil Rock.

Vessels are recommended to give West Devil rock a wide berth. N. to M. No. 144 (355) 24-11-06.

(356) DIXON ENTRANCE—QUEEN CHARLOTTE ISLANDS—POSITION OF NORTH ISLAND AND NORTHWEST EXTREME OF GRAHAM ISLAND INCORRECTLY SHOWN ON ADMIRALTY CHARTS.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to the positions of North island and the northwest extreme of Graham island :

From the triangulation recently carried out by H.M.S. "Egeria" it appears that the positions of the northwest extreme of Graham island and North island are incorrectly shown on Admiralty chart No. 2430.

By the bearing from Cape Muzon (the astronomical position of which has been found by observations to be in close agreement with that already shown on Admiralty chart) the coast line in the vicinity of North island should be placed about four miles farther to westward. The North point of North island is correctly shown in bearing from Tow Hill.

(357) DIXON ENTRANCE—DANGER SOUTHWARD OF CAPE MUZON.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information about a danger southward of Cape Muzon, Dixon entrance :

A rock, upon which the sea breaks heavily, at intervals, in a moderate swell, has been observed when rounding Cape Muzon on several occasions. It is situated approximatively nearly a mile of shore, southward of the cape.

The tangents of the land forming Cape Muzon bear from it S. 79° W. and N. 22 $\frac{1}{2}$ ° E. approximately. The coast line of Cape Muzon being incorrectly shown on Admiralty charts, the bearings given do not show the correct position of the rock relative to the shore, as it is charted.

Vessels rounding the Cape should keep about 2 miles off shore. N. to M. No. 144 (357) 24-11-06.

The lighthouse tower on Sambro island, off Halifax harbour, Nova Scotia, has been increased in height by building an octagonal concrete wall, 20 feet high, on top of the old octagonal stone wall, and has been surmounted by a new circular iron lantern. The sides of the tower are covered with shingles painted white : the lantern is painted red. The lighthouse is 82 feet high from its base to the vane on the lantern.

The illuminant will eventually be acetylene, burned under an incandescent mantle, but it is probable that it will be necessary to show an oil light of less intensity for a period of one month or six weeks after the date above mentioned.

(365) DETROIT RIVER—AMHERSTBURG REACH ELLIOTT POINT RANGE LIGHTS CHANGED IN POSITION—FLOAT LIGHTS MOVED.

On 15th November, 1906, the range line marked by the Elliott point range lights, located on Elliott point, eastern bank of the Detroit river, was shifted 150 feet to the eastward and the lights were permanently established on the southern prolongation of the axis of the recently completed 600-foot dredged channel of the Amherstburg reach.

The front light was established 50 feet above mean lake level, without change in order or characteristic, on Elliott point, 1,880 feet S. 44° 20' E. from Bois Blanc lighthouse, in a white, pyramidal, skeleton, metal tower, with a day mark of white horizontal slate at the top.

The rear light was established 70 feet above mean lake level, without change in order or characteristic, on Elliott point, 1,060 feet S. 2° 12' E. in rear of the front light, on a white, pyramidal, skeleton, metal tower, with a day mark of white horizontal slate at the top.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

1. *Limites.*— Les limites du passage d'eau seront celles de la ville de la Rivière LaPluie, dans le district de la Rivière LaPluie, Ontario, et de certains endroits dans les villes de Baudette et de Spooner dans l'Etat du Minnesota, Etats-Unis d'Amérique.

Il sera commandé par un homme capable et respectable, et le ministère du Revenu de l'intérieur se réserve le droit de refuser tout bateau qui pourra en aucun temps être placé sur cette voie pour faire le service, ou son capitaine, ou le quai ou débarcadère, s'il les jugeait impropres au service, ou dangereux, ou insuffisants pour répondre aux besoins du public.

5. Durant la période commençant le 1er jour de juin, et finissant le 1er jour d'octobre de toute et chaque année, le dit bac commencera à traverser à 6 heures du matin (sauf les dimanches) et continuera à traverser à des intervalles d'une heure successivement jusqu'à six heures du soir.

9. Une pancarte contenant le prix de passage et le tarif des péages sera affichée et maintenue en tout temps dans un endroit bien en vue sur ou près le quai ou l'embarcation, ainsi que sur le bac ou vapeur faisant le service.

10. Le Gouverneur en conseil aura le droit de changer et modifier le tarif et les prix ci-dessus établis, s'ils le juge à propos dans l'intérêt du public. Avis de ces changements ou modifications sera publié dans la *Gazette du Canada*, tel que l'exige le sixième article de l'acte 49 Vic., chapitre 27, et le locataire sera averti officiellement par le ministère du Revenu de l'intérieur,

14. Le Gouverneur en conseil aura toujours le droit, lorsqu'il lui sera prouvé que l'adjudicataire ne remplit pas les conditions ci-dessus ou celles stipulées dans son bail, de déclarer le bail résilié et nul, et alors ce dernier deviendra nul et non avenu à toutes fins et intentions, comme s'il n'eût jamais été consenti, sans indemnité pour l'adjudicataire.

15. Le bail ne sera ni sous-loué ni transféré sans l'autorisation du Gouverneur général en conseil. 23-3

O. G. 168.

ORGANISATION.

TRÉSORERIE MILITAIRE CANADIENNE.

La formation d'un corps de trésorerie militaire canadienne a été approuvée, et entrera en vigueur au 1er de janvier 1907.

Administration.

(1) Un officier, qui sera choisi du corps de trésorerie militaire canadienne, sera désigné pour devoir au quartier général avec la charge d'assistant payeur général. En sus de ses autres devoirs, cet officier commandera le corps en tant qu'il s'agit de discipline, et disposera de toutes autres matières d'une nature purement militaire, mais, sous tous autres rapports, il sera sous le contrôle du comptable et payeur général.

Organisation.

(2) Le corps de trésorerie militaire canadienne sera composé des officiers, officiers brevetés, sous-officiers et hommes nommés à ce corps ou qui s'y seront enrôlés, conformément à l'effectif autorisé par le Gouverneur général en conseil.

Un officier du corps de trésorerie militaire canadienne aura un grade actif dans le corps, mais ce grade ou position ne donnera pas droit au porteur à la présidence des cours martiales, ni à un commandement militaire que ce soit, sauf sur les officiers et hommes qui seront spécialement placés sous son commandement.

Les nominations, promotion et retraite des officiers du corps de trésorerie militaire canadienne, seront régies par les règlements généraux en vigueur pour les troupes permanentes, sauf disposition spéciale au contraire.

Les nominations de payeurs de commandement et de leurs aides déjà faites seront annulées, et de nouvelles nominations seront faites à compter du 1er janvier 1907.

Les aspirants de la milice active, ou autres, qui désireront joindre le corps de trésorerie militaire canadienne en qualité de commis payeurs, s'ils sont jugés propres à cette branche du service, pourront, avec l'approbation de l'officier qui administre le corps, être enrôlés et attachés comme stagiaires durant trois mois avec le

grade de sergent, recevant la paie de ce grade, mais non la paie du corps.

A l'expiration du stage de trois mois, le payeur sous lequel l'homme sert, enverra un rapport à l'officier administrant le corps, spécifiant les aptitudes du stagiaire dans les sujets suivants :—

- (a) Connaissance générale de la comptabilité.
(b) Connaissance générale des devoirs d'un payeur, et règlements qui les concernent.
(c) Sobriété et fidélité.
(d) Aptitudes spéciales, i. e. sténographie, clavigraphie, etc.
(e) S'il est recommandé comme commis payeur compétent.

Si le rapport est jugé satisfaisant, le stagiaire pourra être confirmé dans sa nomination dans le corps de trésorerie militaire canadienne, avec le grade de sergent à compter de la date de son enrôlement. S'il est prononcé incompetent il recevra son congé comme impropre aux devoirs d'un commis payeur, ou s'il le désire, il pourra transférer ses services à une autre division des troupes permanentes.

Règle générale nul aspirant comme commis payeur dans le corps de trésorerie militaire canadienne ne sera accepté s'il a dépassé trente ans, à moins qu'il n'ait fait un très bon service dans la milice active ou dans l'armée régulière de Sa Majesté, et mérite considération spéciale.

Un nombre restreint d'hommes peut être enrôlé comme simples soldats pour devoirs généraux d'ordonnances etc., dans les bureaux du payeur, tel que prescrit pour l'effectif. Ces hommes auront droit à la paie du corps.

Un sergent qui a servi pendant trois ans dans ce grade, et a reçu un bon certificat du payeur sous lequel il a servi, peut être recommandé pour avancement au grade de sergent-fourrier.

Un sergent-fourrier après avoir servi pendant trois ans dans ce grade, et reçu un bon certificat du payeur sous lequel il a servi, peut être recommandé pour avancement au grade de sergent-major.

Un sergent-major peut être choisi pour avancement au grade de sergent-major de 1re classe (officier breveté) de chacun des commandements supérieurs.

Les enrôlement, avancement, paie, etc., des officiers brevetés, sous-officiers et hommes du corps de trésorerie militaire canadienne seront régis par les Règlements Généraux en vigueur pour les troupes permanentes, sauf lorsque prescrit autrement.

Paie.

(3) La paie des officiers, officiers brevetés, sous-officiers et hommes sera telle que prescrite dans les Règlements concernant la paie et les allocations, 1907, sauf que la paie du corps ne sera pas payée aux commis payeurs stagiaires ni aux caporaux ou simples soldats employés dans les bureaux du payeur pour devoirs d'ordonnances en général, etc., mais si ces hommes sont employés à des travaux de paie ils pourront recevoir une haute paie de dix centins par jour en vertu de l'article 131 des Règlements concernant la paie et les allocations.

Les commis payeurs compétents comme sténographes recevront une haute paie de dix centins par jour.

Uniforme.

(4) L'uniforme des officiers, officiers brevetés, sous-officiers et hommes sera tel que prescrit dans les Règlements canadiens concernant la tenue et les effets d'habillement.

(Avis de l'Intérieur No 31.)

Tous les relèvements, à moins d'avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

DIVISION DES PHARES D'ONTARIO.

(334) QUÉBEC — RIVIÈRE OTTAWA, RIVE NORD — CHENAL WAY ET TRAVERSE BESSERER — FEUX D'ALIGNEMENT ÉTABLIS.

Quatre feux de balise, établis par le gouvernement du Canada sur la rive nord de la rivière Ottawa, afin de guider dans le chenal au nord de la batture Way, ont été allumés le 7 de novembre 1906.

Ils montrent des feux blancs fixes dans des lanternes lenticulaires de verre pressé hissées à des poteaux, et devraient être visibles à dix milles dans l'alignement. Les poteaux sont rendus plus visibles comme balises de jour au moyen de lattis en losange peints en blanc sur le sommet de chacun. Les poteaux ont 20 et 40 pieds de hauteur respectivement, et reposent sur un terrain élevé de 10 pieds au-dessus du niveau d'été de la rivière. Les deux feux antérieurs sont à 29 pieds et les deux feux postérieurs à 49 pieds au-dessus de l'eau.

Le feu antérieur de l'alignement d'en haut, qui sera désigné alignement du chenal Way, repose sur le bord de la rivière à un endroit 975 pieds plus haut que le feu antérieur de l'alignement d'en bas, et à peu près 2100 pieds plus bas que l'embouchure de la rivière Blanche, qui est sur le lot 3 du township de Templeton, comté de Wright.

Lat. N. 45° 29' 56"
Long O. 75 32 2

Le feu postérieur de cet alignement est à 490 pieds S. 80° 40' O. du feu antérieur. Les deux feux dans une direction S. 80° 40' O. conduisent entre la batture Way et la rive nord jusqu'à un point presque vis-à-vis le feu antérieur de l'alignement de la traverse Besserer, alors que l'alignement doit être laissé à tribord pour arriver dans l'alignement de la traverse Besserer.

Le feu antérieur du deuxième alignement, qui sera désigné alignement de la traverse Besserer, est sur la

rive nord de la rivière, à 975 pieds plus bas que le feu antérieur du chenal Way, 3,075 pieds plus bas que l'embouchure de la rivière Blanche, et 2,700 pieds plus haut que le phare de la batture Way.

Les deux feux en conjonction en arrière conduisent dans le chenal dragué en travers de la tête de la batture Way, dans une direction S. 48° 30' O. depuis un point vis-à-vis le feu antérieur de l'alignement du chenal Way jusqu'à l'eau profonde sur le côté sud de la rivière. L'alignement des feux produit est dans l'alignement des arbres les plus à l'ouest de Besserer Grove sur le côté sud de la rivière.

Notez que l'intersection des deux alignements se trouve dans l'eau peu profonde sur la rive nord, et en conséquence l'alignement doit être légèrement ouvert en approchant de l'autre.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines, à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important*, comme suit :—

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme

à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

[Ref. 1,318,177.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 5th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 24th November, 1906, from the Minister of the Interior, stating that he has considered an application which was made in March, 1906, by the Honourable John Nesbitt Kirchhoffer, of Brandon, Manitoba, for a lease of the sections and parts of sections of marsh lands, hereafter mentioned, on the southerly shore of Lake Manitoba, in the Province of Manitoba, to be used as a preserve for wild fowl and other game that may resort thereto; for hunting or shooting purposes and for the erection of shooting lodges thereon, and that as he, the Minister of the Interior, is satisfied from reports that have been submitted to him and from the survey records of the Department of the Interior that such marsh lands are not valuable for agricultural purposes and that they are by nature most suitable to the purposes mentioned in the application before referred to, he has concluded that all of such marsh lands which are now at the disposal of the Crown, as represented by the Dominion, may properly be leased to the applicant for a term of twenty-one years at the rate of five dollars per section per annum and a proportionate rate for each part of a section.

The Minister further states that the lands for which the Honourable Mr. Kirchhoffer has applied are: Sections six, seven, seventeen, eighteen, nineteen, twenty, thirty, thirty-one and thirty-two in Township fourteen and the south half and the north east quarter of Section five in Township fifteen, all in Range five, west of the first Meridian, and Sections one, three, thirteen, fifteen, twenty-one, twenty-three and twenty-five and the south half of Section twenty-seven in Township fourteen in Range six, west of the same meridian.

The Minister recommends that, a lease be granted to the Honourable John Nesbitt Kirchhoffer for the marsh lands above specified, or for such of them as are now at the disposal of the Crown as represented by the Dominion, to be used for the purposes before mentioned, for the said rental of five dollars a section, or proportionate rate for part of section, for a term of twenty-one years, by a lease to be executed by the Minister of the Interior and the Honourable John Nesbitt Kirchhoffer and otherwise completed in accordance with a draft to be prepared by the Deputy Minister of Justice, and to contain in addition to other necessary and usual terms, provisos and conditions, a proviso or condition that if at any time during the said term of twenty-one years it is established that the Province of Manitoba is entitled to the said marsh lands so to be leased, or to any of them, as "swamp lands" under the provisions of Section 4 of chapter 47 of the Revised Statutes of Canada, the said lease and every clause, covenant, proviso, condition, matter or thing therein contained, shall immediately thereafter cease and determine and become absolutely null and void, but as regards only such of the said marsh lands as the Province may so establish its claim to as "swamp lands."

The Committee submit the same for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a report, dated 26th November, 1906, from the Minister of the Interior, stating that the Commissioners who investigated and adjudicated upon the claims of the Half-Breed residents of the Peace River and Athabasca district, when the Treaty was concluded with the Indians of that territory in 1899, reported to the then Minister of the Interior that Mr. Colin Johnston, of Athabasca Landing, and formerly of the Province of Manitoba, had preferred a claim before them to share in the grant of scrip to Half-Breeds, and that they were precluded from entertaining such claim as Mr. Johnston was a resident on the 15th July, 1870, of the Province of Manitoba and the time fixed by the Order in Council of the 20th April, 1885, within which evidence in support of this class of claims had to be submitted, had expired on the 1st May, 1886. They recommended, however, that as the claimant had been born prior to the 15th July, 1870, and was a resident at that date of the Province of Manitoba, which were the essential requirements to entitle a person to participate in the grant of scrip or land to the Half-Breeds of the Province of Manitoba, and further, as the claims of his brothers and sisters had been satisfied by an issue of scrip in 1886, that, if possible his case should be favourably considered.

The Minister further states that, it was subsequently ascertained that Mr. Johnston had participated in the annuity payments to Indians with the St. Peter's Band of Indians up to the year 1890, and following the practice which governed the issue of scrip to the Half-Breeds of the Province of Manitoba his claim could not, in any event, have received recognition until he had been granted his certificate of discharge from the band of Indians of which he was a member. Such certificate has, however, been recently issued to Mr. Johnston by the Indian Commissioner.

The Minister, who has had the case under his careful consideration, is of the opinion that Mr. Johnston's claim is well founded and that it should be allowed, and he, therefore, recommends that an issue of scrip be authorized in satisfaction thereof in favour of Mr. Colin Johnston for two hundred and forty acres of land of the class open to entry as homesteads.

The Committee submit the same for approval.

JOHN J. MCGEE,
Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 24th November, 1906, from the Minister of the Interior, stating, in regard to the claims of Messrs. John Charles Jackson and Thomas E. Jackson to a portion of Section Eighteen, Township Twenty-four, Range One, West of the Fifth Meridian :

That the former squatted upon the South-west quarter in the fall of 1884 ; the latter squatted upon the South-east quarter in the spring of 1887, both going into permanent residence upon the land ;

That while the land had previously been surveyed, it is represented they squatted in good faith, believing the land to be vacant and that no other interests were interfered with ; it was subsequently found, however, that there were other claimants and that the Town of Calgary had asked for a reservation of a part of this section for cemetery purposes and that consequently when the Messrs. Jackson asked to be allowed to homestead the land their applications were not entertained ;

That all the claims filed in connection with the Section in question, with the exception of that of the Messrs. Jackson, have been disposed of and that the only portion of this section now remaining in the hands of the Government consists of an area comprising one hundred and five acres of the South-west quarter and fifteen acres of the South-east quarter ;

That Mr. John Charles Jackson has been in occupation of the South-west quarter during the past twenty years and his brother has occupied the South-east quarter for a similar period, both brothers having very valuable improvements ;

That while the matter has been before the Department of the Interior for many years, no final settlement has yet been arrived at, although as a partial settlement it was decided to allow Mr. John Charles Jackson to acquire a patent for the South-east quarter of Section Eighteen, Township Twenty-seven, Range One, West of the Fifth Meridian, and Mr. Thomas E. Jackson for the North-east quarter of Section Seven, Township Twenty-four, Range One, West of the Fifth Meridian.

The Minister recommends, as a full and final settlement of these claims, that the remaining available portion of the South half of Section Eighteen, Township Twenty-four, Range One, West of the Fifth Meridian, be granted under a free patent to the Messrs. Jackson in accordance with the mutual agreement made between themselves and recorded in the Department of the Interior, that is to say, the one hundred and five acres of the South-west quarter to John Charles Jackson, and the fifteen acres of the South-east quarter to Thomas E. Jackson.

The Committee submit the same for approval.

Thursday, the 15th day of November, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 3rd November, 1906, from the Minister of the Interior, submitting with reference to the Order in Council dated 5th September, 1885, authorizing the Minister of the Interior to reserve Blocks 18 and 84, being a portion of Section 16, Township 24, Range 1, West 5th Meridian, which section forms part of the Townsite of Calgary, for Calgary school purposes, and authorizing him to convey the same under certain conditions to the Calgary School Trustees in trust for local school purposes,—that it has now been represented to him by the Chairman of the School Management Committee on behalf of the Calgary Public School Board, that since the School Board erected a school upon Block 18, the Government of the Province of Alberta has decided to locate the Provincial Normal School at Calgary, and has requested the Board to grant them the said Block 18.

The Minister states that the School Board is, in consequence, desirous of meeting the wishes of the Pro-

vincial Government and of securing the Normal School for their City, and it is pointed out that the use of this Block for a Normal School would not interfere with the use of it for local school purposes.

That the School Board requests, therefore, that the title to the property be granted to the Province of Alberta for the establishment, erection and maintenance of a Normal School thereon, and that the title to Block 84 be issued to them (the Calgary Public School Board).

The Minister further states that he is of the opinion in view of the representations mentioned, that it would be in the public interest to comply with the request made on behalf of the School Board.

The Minister therefore recommends that the Order in Council of the 5th September, 1885, already referred to, be rescinded.

The Minister further recommends that Block 18 being a portion of Section 16, Township 24, Range 1, West of the Fifth Meridian, which forms part of the Townsite of Calgary, be vested, under clause 31 of The Dominion Lands Act, in His Majesty King Edward VII, for the Province of Alberta, to be used as a site for a Normal School, and that a grant be authorized, under the same clause, of Block 84, which also forms part of the said Section 16, Township 24, Range 1, West Fifth Meridian, to the Calgary Public School Board for school purposes.

The Committee submit the same for approval.

BRITISH COLUMBIA.

(353) CHATHAM SOUND—PRINCE RUPERT HARBOUR (TUCK INLET)—UNCHARTED ROCKS—BUOYS ESTABLISHED—BEACONS ERECTED—SAILING DIRECTIONS.

Ellinor rock.—Mr. G. B. Dodge, Hydrographic Surveyor, reports an uncharted rock, to be called Ellinor rock, near the entrance to Prince Rupert harbour.

Lat. N. 54° 12' 40"
Long. W. 130 22 40

From the rock the nearest point of Kinahan islands bears S. 67 $\frac{1}{2}$ ° W. 4 $\frac{1}{2}$ cables. Over it is a depth of only one foot and it is quite steep to on all sides.

The following sextant angles fix its position :

West tangent Kitson island.....	0°
Southeast tangent Kinahan islands.....	119° 50'
North tangent Kinahan island.....	51 20
Chassepot rock.....	33 0

Buoy.—A red spar buoy has been moored in 3 fathoms, about 100 feet south of the top of the rock.

Barrett ledge.—Mr. Dodge also reports Barrett ledge, which dries 2 feet at low water spring tides, lying on the western side of the channel with Lima point bearing S. 12° W. distant one mile.

Buoy.—A black spar buoy has been moored in 3 $\frac{1}{2}$ fathoms off the eastern edge of this ledge, 800 feet N. 60° E. from the top of the rock.

Bird rock.—Mr. Dodge also reports Bird rock, which dries 4 feet, lying on the eastern side of the entrance, bearing N. 38° E. 1 $\frac{4}{5}$ miles from Lima islet, and N. 41° W. 1 $\frac{8}{10}$ miles from the west side of Coast island.

Buoy.—A red spar buoy has been moored in 12 feet water about 30 feet south of the top of the rock.

Coast island range day beacons.—A triangular white-washed beacon, 20 feet high and having a base of 20 feet, has been erected upon the top of Coast island, 43 feet above the water.

A beacon similar in size has also been erected on Ridley island 80 feet above the water and bearing N. 75° E., distant 4415 feet from the former.

These two in line, bearing N. 75° E., lead 700 yards south of Kestrel rock, 400 yards south of Jenner rock and 1100 yards north of Kinahan islands, and up to within 800 yards of Coast island. (See Notice to Mariners No. 124 (308) of 1906.

Ridley island range day beacons.—A triangular white-washed beacon, 20 feet wide at the base and 30 feet high, has been erected upon the shore at Ridley island 2 feet above the water. It is situated N. 74° E. distant 1 $\frac{8}{10}$ miles from Lima islet, and N. 29° W. distant 8 cables from the western coast of Coast island.

A triangular whitewashed beacon, having a base of 20 feet and a height of 20 feet, has been placed upon the height of land of Ridley island N. 28° E. 1000 feet from the above. It is elevated 75 feet above the water.

These two in line, bearing N. 28° E., lead between Ellinor rock and Kinahan islands and east of Jenner rock.

Sailing directions.—Steamers leaving Skeena river and bound for Prince Rupert via the passage east of Kinahan island should pass Holland island on the port side distant about $\frac{1}{2}$ mile, and steer for the northeast of Kinahan islands N. 62° W. 2 miles, or until the Ridley island range beacons come in one, bearing N. 28° E. Keep these in one to pass Ellinor rock (marked with a red spar buoy) on the starboard and until the summit of Mission mountain comes in line with the trees on the northwest point (Casey point) of Kaien island bearing N. 34° W. Keep this on until abreast of Lima point, when haul a little to the eastward to bring the second knuckle west of Mission mountain in one with the edge of the trees on Casey point N. 36 $\frac{1}{2}$ ° W. After passing Barrett ledge, marked by a black spar buoy, keep rather nearer the Kaien island side of mid-channel.

Steamers from the north wishing to enter Prince Rupert, should keep Lawyer island light open west of Kinahan islands, bearing S. 52° E., until Coast island beacons come in one, bearing N. 75° E. They should keep this range until the Ridley island beacons come in line bearing N. 28° E., whence the course is the same as from the southward.

(354) HECATE STRAIT—EDYE PASSAGE—SHALLOW DEPTHS IN WESTERN APPROACH.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to the western approach to Edye passage:

Depth from 10 to 18 fathoms were obtained by H.M.S. "Egeria," when passing between Warrior rocks and White cliff, Stephens island.

A depth of 11 fathoms was obtained with centre of White cliff bearing N. 20° E. $1\frac{1}{2}$ miles.

Close to the southwest of this spot a large patch of kelp was observed, apparently attached.

Depths of 10 fathoms were obtained with North Warrior rock bearing S. 20° W., $1\frac{1}{2}$ miles.

Vessels are recommended not to pass between Warrior rocks and Stephens island until this region has been examined, as it appears very likely that dangers may exist. N. to M. No. 144 (354) 24-11-06.

(355) DIXON ENTRANCE—WEST DEVIL ROCK—SHOAL DEPTHS IN VICINITY.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to shoal depths in the vicinity of West Devil rock, Dixon entrance.

The "Egeria" anchored in a depth of 9 fathoms with centre of West Devil rock N. 71° W. $2\frac{1}{2}$ miles. This shoal appeared to be very small in extent, and steep-to, with depths of 40 fathoms and upwards all round it. Bad weather prevented any further examination.

A breaker, upon which the sea breaks heavily in moderate weather, almost continuously, having the appearance of shallow water, has been observed on two occasions $\frac{1}{2}$ mile N. 34° W. from West Devil rock.

Foul ground, upon which the sea breaks, extends about $\frac{1}{4}$ mile southwestward of West Devil Rock.

Vessels are recommended to give West Devil rock a wide berth. N. to M. No. 144 (355) 24-11-06.

(356) DIXON ENTRANCE—QUEEN CHARLOTTE ISLANDS—POSITION OF NORTH ISLAND AND NORTHWEST EXTREME OF GRAHAM ISLAND INCORRECTLY SHOWN ON ADMIRALTY CHARTS.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information relating to the positions of North island and the northwest extreme of Graham island:

From the triangulation recently carried out by H.M.S. "Egeria" it appears that the positions of the northwest extreme of Graham island and North island are incorrectly shown on Admiralty chart No. 2430.

By the bearing from Cape Muzon (the astronomical position of which has been found by observations to be in close agreement with that already shown on Admiralty chart) the coast line in the vicinity of North island should be placed about four miles farther to westward. The North point of North island is correctly shown in bearing from Tow Hill.

(357) DIXON ENTRANCE—DANGER SOUTHWARD OF CAPE MUZON.

Commander F. Learmonth, R.N., H.M.S. "Egeria," gives the following information about a danger southward of Cape Muzon, Dixon entrance:

A rock, upon which the sea breaks heavily, at intervals, in a moderate swell, has been observed when rounding Cape Muzon on several occasions. It is situated approximately nearly a mile of shore, southward of the cape.

The tangents of the land forming Cape Muzon bear from it S. 79° W. and N. 22 $\frac{1}{2}$ ° E approximately. The coast line of Cape Muzon being incorrectly shown on Admiralty charts, the bearings given do not show the correct position of the rock relative to the shore, as it is charted.

Vessels rounding the Cape should keep about 2 miles off shore. N. to M. No. 144 (357) 24-11-06.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

ARRÊTÉS EN CONSEIL.

[Renv. 1,318,177].

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 5e jour de décembre 1906.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 24 de novembre 1906, du ministre de l'Intérieur, disant qu'il a étudié une demande faite en mars 1906 par l'honorable John Nesbitt Kirchhoffer, de Brandon, Manitoba, pour l'affermage des sections et parties de sections de terrains marécageux ci-après mentionnés, sur la rive sud du lac Manitoba, dans la province du Manitoba, pour servir de réserve d'oiseaux sauvages et autre gibier qui les fréquentent ; pour des fins de chasse, et pour y construire des maisons de chasse, et vu que lui, le ministre de l'Intérieur, est convaincu d'après des rapports qui lui ont été soumis, et d'après

les rapports d'arpentage dans le ministère de l'Intérieur que ces terrains marécageux n'ont aucune valeur comme terres agricoles, et qu'ils sont naturellement très propres aux fins mentionnées dans la susdite demande, il en est venu à la conclusion que toute l'étendue de ces terrains marécageux qui est aujourd'hui à la disposition de la Couronne représentée par le Dominion, peut convenablement être affermée au requérant pour un terme de vingt-un ans au taux de cinq piastres par section par année, et à un taux proportionnel pour chaque partie d'une section.

Le Ministre dit de plus que les terrains demandés par l'honorable M. Kirchhoffer, savoir, les sections six, sept, dix-sept, dix-huit, dix-neuf, vingt, trente, trente-un et trente-deux dans le township quatorze, et la moitié sud et le quart nord-est de la section cinq dans le township quinze, tous dans le rang cinq, à l'ouest du premier méridien, et les sections un, trois, treize, quinze, vingt-un, vingt-trois et vingt-cinq et la moitié sud de la section vingt-sept dans le township quatorze dans le rang six, à l'ouest du même méridien.

Le Ministre recommande qu'un bail soit accordé à l'honorable John Nesbitt Kirchhoffer pour les terrains marécageux ci-dessus spécifiés, ou pour la partie de ces terrains qui sont à la disposition de la Couronne représentée par le Dominion, pour servir aux fins ci-dessus mentionnées, moyennant la dite rente foncière de cinq piastres par section, ou taux proportionnel pour partie d'une section, pour la durée de vingt-un ans, en vertu d'un bail exécuté par le ministre de l'Intérieur et l'honorable John Nesbitt Kirchhoffer et d'ailleurs complété conformément à un projet que préparera le sous-ministre de la Justice, et qui contiendra en outre des termes, provisos et conditions nécessaires et usuels, un proviso ou condition que si en aucun temps durant la dite durée de vingt-un ans il est établi que la province du Manitoba a droit aux dits terrains marécageux ainsi affermés, ou à aucune partie d'iceux, comme "terrains marécageux" en vertu des dispositions de l'article 4 du chapitre 47 des Statuts Révisés du Canada, le dit bail, et chaque clause, convention, proviso, condition, matière ou chose y contenu, cessera immédiatement, et deviendra absolument nul et non avenu, mais seulement pour cette partie des dits terrains marécageux que la province pourra légalement réclamer comme "terrains marécageux".

Le comité soumet ce qui précède à l'approbation.

Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT A OTTAWA,
Samedi, le 8e jour de décembre 1906.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Sur un rapport daté le 26 novembre 1906, du ministre de l'Intérieur, disant que les commissaires qui ont examiné et décidé les réclamations des Métis de la Rivière LaPaix et district d'Athabasca, lorsque le traité fut conclu avec les Sauvages de ce territoire en 1899, ont fait rapport au ministre de l'Intérieur en exercice que M. Colin Johnston, d'Athabasca Landing, et autrefois de la province du Manitoba, leur avait demandé une part du srip accordé aux Métis, et qu'ils n'avaient pu accéder à cette réclamation pour la raison que M. Johnston était le 15 de juillet 1870 un résident de la province du Manitoba, et que le délai fixé par l'arrêté en conseil du 20 d'avril 1885, pour fournir les preuves à l'appui de cette catégorie de réclamations était expiré le 1er de mai 1886. Ils recommandent, toutefois, vu que le réclamant est né avant le 15 de juillet 1870, et était à cette date un résident de la province du Manitoba, ce qui constituait des points essentiels pour permettre à une personne de participer à l'octroi de srip ou de terres aux Métis de la province du Manitoba, et de plus, vu que les réclamations de ses frères et sœurs ont été liquidées par une émission de srip en 1886, son cas devrait être favorablement considéré, si possible.

Le Ministre dit, de plus, qu'il a été subseqüemment constaté que M. Johnston avait participé aux annuités payées à la bande des Sauvages de Saint-Pierre jusqu'à l'année 1890, et d'après la pratique suivie au sujet de l'émission de srip aux Métis de la province du Manitoba, sa réclamation ne pouvait, dans tous les cas, être reconnue tant qu'il n'avait pas reçu sa quittance de la bande des Sauvages dont il était membre. Ce certificat a récemment été délivré à M. Johnston par le Commissaire des Sauvages.

Le Ministre, qui a étudié soigneusement le cas, est d'avis que la réclamation de M. Johnston est bien fondée et devrait être admise, et en conséquence il recommande qu'une émission de srip soit autorisée en faveur de M. Colin Johnston pour deux cent quarante acres des terres qui sont ouvertes aux inscriptions de home-steads.

Le comité soumet ce qui précède à l'approbation.

26-4 JOHN MCGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 12e jour de décembre 1906.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Sur un rapport daté le 25 d'octobre 1906, du ministre de la Marine et des Pêcheries, disant qu'il a étudié le règlement No 145, adopté à une réunion des Commissaires du Havre de Montréal, le 28 de septembre 1906, autorisant les commissaires, aux conditions qu'ils jugeront à propos, à louer à la Dominion Park Company, Limitée, pour une période n'excédant pas 40 ans, deux pièces ou lisières de terrain formant partie du havre de Montréal, vis-à-vis les lots numéros 40 et 41.

Le Ministre dit de plus que le ministre de la Justice est d'avis qu'il n'existe pas d'objection légale au règlement proposé.

A ces causes, le Ministre recommande que le dit règlement soit approuvé.

Le comité soumet ce qui précède à l'approbation.

JOHN J. MCGEE,
Greffier du Conseil privé.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

Greffier de la Chambre des Communes.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation, au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit : —

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation, —

1. Une compagnie de chemin de fer ou de canal, — dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone, — dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui, — dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs, — dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant, —

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés, — dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, — dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.
